IN THE MATTER of By-law Number 110 of the Corporation of the Improvement District of Ajax.

BEFORE:

W. J. MOORE, O.L.S.,  
Vice-Chairman,

—and—

R. C. ROWLAND,  
Vice-Chairman.

Tuesday, the 19th day of  
October, A.D., 1954.

UPON THE APPLICATION of the Corporation of the Improvement District of Ajax for an order pursuant to Sections 11 and 13 of "The Municipal Act", being Revised Statutes of Ontario 1950, Chapter 243, as amended for an order erecting the said Corporation into a Town under the name of "The Corporation of the Town of Ajax" and division of the said Town into four (4) Wards, and such application coming on for hearing this day before this Board pursuant to the appointment of the Board for the hearing thereof at the Board Room of the Municipal Office of the applicant at King's Crescent, Ajax, and in the presence of Counsel for the said Corporation and in the presence of a number of property owners and residents of the said Municipality who appeared in person;

AND upon hearing what was alleged by Counsel aforesaid and other persons appearing as aforesaid, and upon no person appearing to oppose the said application;

AND upon reading By-law Number 110 of the said Improvement District of Ajax authorizing an application for erection of the said District into a Town;

AND upon being satisfied that public notice of the hearing had been given and other interested municipalities and bodies had been served with notice of the hearing as directed by the Board;

1. THE BOARD ORDERS under and in pursuance of Section 11 of "The Municipal Act" that the said Applicant, the Corporation of the Improvement District of Ajax, be erected into a Town which shall bear the name of The Corporation of the Town of Ajax and that the said erection shall take effect on the 1st day of January, A.D., 1955;

2. THE BOARD DOTH FURTHER ORDER that the said Town shall be divided into four (4) Wards as more particularly set out in Schedule "A" attached hereto;

3. THE BOARD DOTH FURTHER ORDER that the boundaries of the said Town shall be the existing boundaries of the said Improvement District of Ajax, and for greater certainty a description of the area of which the said District now consists is set out in Schedule "B" attached hereto;

4. THE BOARD DOTH FURTHER ORDER that the Town Council of the said Town shall consist of a Mayor, Reeve, one Deputy Reeve and six (6) Councillors to be elected by general vote and that this paragraph shall have the same effect as a by-law to the same intent duly passed under Section 51 of "The Municipal Act", being Revised Statutes of Ontario 1950, Chapter 243, and amendments thereto, with the assent of the Municipal Electors.

5. THE BOARD DOTH FURTHER ORDER that the Ajax Public School Board shall consist of six (6) Trustees to be elected by general vote of the Electors of the whole Municipality and this paragraph hereof shall have the same effect as a resolution to the same intent duly passed pursuant to the provisions of The Public Schools Act, being Revised Statutes of Ontario 1950, Chapter 316, Section 82, and amendments thereto.

6. THE BOARD DOTH FURTHER ORDER that the said Town continue to be part of Pickering High School District as heretofore.

7. THE BOARD DOTH FURTHER ORDER that a meeting of the Electors shall take place for the nomination of candidates for Town Council of the said Town and for the Ajax Public School Board on the last Monday in November at 7.00 o'clock in the afternoon at Rotary Hall in the Town of Ajax and the polling day shall be the second Saturday in December and this paragraph shall have the same effect as a by-law duly passed pursuant to Section 67 of The Municipal Act.

8. THE BOARD DOTH FURTHER ORDER that the Poll shall be opened at every polling place at 11.00 o'clock in the forenoon and be kept open until 7.00 o'clock in the afternoon of the same day and this paragraph shall have the same effect as a by-law to the same intent duly passed pursuant to Section 110 of The Municipal Act.

9. THE BOARD DOTH FURTHER ORDER that for purposes of the nomination and election of the first Town Council and of the first Public School Board, and all matters incidental thereto, the Board of Trustees of the said Improvement District shall have the same duties and powers with respect thereto as it would have were the said District a Town and the said Board of Trustees the Town Council thereof, and that the Secretary-Treasurer of the District act as Returning Officer and have the same duties and powers with respect to such nomination and election, and all matters incidental thereto, as if the said District were now a Town and the said Secretary-Treasurer were the Clerk thereof.

10. THE BOARD DOTH FURTHER ORDER that the revised Assessment Roll for the said Improvement District of Ajax made in 1954 be adopted and used by the said Town of Ajax in the same manner and to the same extent as if the said District had been duly erected into a Town prior to the preparation of the said Assessment Roll.

VICE-CHAIRMAN.

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing.

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improve-

ment debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissions of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, Q.C.,  
Clerk of the Legislative Assembly  
of Ontario.

## THE LIGHTNING RODS ACT

O. Reg. 190/54.

General Amendments.

Amending Regulations 238 of Consolidated Regulations 1950.

Made—19th November, 1954.

Filed—24th November, 1954.

## REGULATIONS MADE UNDER THE LIGHTNING RODS ACT

1. In these regulations "principal Regulations" means Regulations 238 of Consolidated Regulations of Ontario 1950.

2. Clause *n* of regulation 1 of the principal Regulations is revoked and the following substituted therefor:

(*n*) "flat roof" means a roof that is horizontal or has a vertical rise of not more than 1 foot for each 6 feet measured horizontally;

3. Clause *b* of regulation 2 of the principal Regulations is revoked and the following substituted therefor:

(*b*) explosive-magazines, or tanks and reservoirs for flammable liquids.

4. Clauses *b* and *c* of subregulation 1 of regulation 3 of the principal Regulations are revoked and the following substituted therefor:

(*b*) galvanized iron used for air-terminal supports, connectors, nails, screws, bolts, plates for making connexions to a metal roof or metal siding, and separators between copper or copper alloy and aluminum, and

(*c*) lead used as anchors or to protect other materials from corrosion or to separate copper or copper alloy and aluminum.

5. Regulation 4 of the principal Regulations is revoked and the following substituted therefor:

4.(1) Except as provided for in subregulations 2 and 3 of regulation 48, cable shall

(*a*) consist of not less than 7 wires of soft drawn copper or aluminum and no wire shall be less than 17-gauge copper or 14-gauge aluminum,

(*b*) on structures not exceeding 60 feet in height, weigh

(i) if of copper, not less than 3 ounces, and

(ii) if of aluminum, not less than 2 ounces,

a linear foot, and

(*c*) on structures exceeding 60 feet in height, weigh

(i) if of copper, not less than 4 ounces, and

(ii) if of aluminum, not less than 2.75 ounces,

a linear foot.

(2) Where a structure consists of sections of different heights, the cable protecting each section shall weigh at least as much as the cable required for separate structures of the same respective heights.

6. Subregulation 2 of regulation 5 of the principal Regulations is revoked and the following substituted therefor:

(2) A straight cable connexion shall be made with a connector of at least 17-gauge malleable copper or copper alloy, or 14-gauge aluminum and of such design as will ensure contact of the connector with at least 3 inches of each of the interconnected cables.

(2a) A T or Y cable connexion shall be made

(*a*) with a connector of at least 17-gauge malleable copper or copper alloy, or 14-gauge aluminum and of such design as will ensure contact of the connector with at least 1 inch of the continuous run of cable and if

(i) the connector is bolted, at least 2 inches, or

(ii) the connector is crimped, at least 3 inches,

of the branch cable, or

(*b*) by unravelling at least 10 inches of the end of one cable, dividing it into two equal or nearly equal parts, tightly wrapping the two parts in opposite directions around and along the other cable and securing the ends of the wires against becoming loose.

7. Subregulation 1 of regulation 6 of the principal Regulations is revoked and the following substituted therefor:

(1) Except as provided for in subregulations 2 and 3 of regulation 48, strap conductors shall be at least 17-gauge copper or 14-gauge aluminum, not less than 1½ inches wide on buildings and structures not exceeding 60 feet in height and 2 inches wide on buildings and structures exceeding 60 feet in height.

8. Regulation 8 of the principal Regulations is revoked and the following substituted therefor:

8.(1) A T or Y connexion shall be made

(*a*) between a continuous run of cable and a strap conductor

(i) with a connector tightly fitted around at least 1 inch of the cable and secured to the strap conductor by 1 bolt or 2 rivets, or

(ii) by bolting or rivetting the strap conductor around and in tight contact with the cable, and

(*b*) between a branch cable and a strap conductor with a connector

(i) tightly fitted around at least 2 inches of the cable, if the connector is bolted, or at least 3 inches, if it is crimped, and

(ii) secured to the strap conductor by 1 bolt or 2 rivets.

- (2) A cross connexion between a cable and a strap conductor shall be made by means of a 17-gauge copper, or 14-gauge aluminum, connector

(a) shaped to fit over the cable, and

(b) secured to the strap conductor by means of bolts or rivets.

9. Regulation 9 of the principal Regulations is revoked and the following substituted therefor:

9. Except as provided for in subregulation 2 of regulation 49 and subregulation 2 of regulation 50 extended metal attachments or metal parts of buildings and structures shall not be substituted for conductors unless the metal is permanently electrically continuous and consists of copper, copper alloy or aluminum with an exposed area of at least 8 inches wide throughout its length or a solid cross-sectional area of at least  $1\frac{1}{2}$  square inches, but for monuments or similar structures heavy and extensive parts consisting of other conducting metals and weighing at least 3 pounds a linear foot may be used instead of conductors.

10. Regulation 10 of the principal Regulations is revoked and the following substituted therefor:

- 10.(1) Except as provided for in subregulation 2 of regulation 49 and subregulation 2 of regulation 50, conductors shall be coursed over roofs and along roof-ridges and parapets so as to interconnect the air terminals in as direct a path as practicable and over the eaves in as direct a path as practicable to the best locations for ground connexions, but where the nature or construction of a roof is such that it is difficult or objectionable to make attachments to it, the conductor may be coursed on the facing-board parallel to the roof and a connexion shall be made near the eaves between any metal eaves-trough and the conductor, and in the case of metal roofs, between the metal eaves and the conductor.

- (2) There shall be at least 2 down-conductors on each building and structure except flag poles, masts, similar slender objects and silos that do not require more than 1 grounding under subregulation 3 of regulation 53.

- (3) On flat roofs conductors shall be coursed within 2 feet of the edges of the roof or on the parapets, but on flat roofs of dormers conductors shall not be required within 2 feet of an eaves that is less than 50 feet in length.

- (4) On a flat roof, in addition to conductors within 2 feet of the edges of the roof or on the parapets, conductors shall be coursed over the roof so that there are parallel conductors not more than 50 feet apart

(a) in one direction if the shorter dimension of the roof is more than 50 feet but less than 100 feet, and

(b) in two directions if the shorter dimension is 100 feet or more.

11(1). Subregulation 5 of regulation 11 of the principal Regulations is revoked and the following substituted therefor:

- (5) no conductor shall be suspended for a distance of more than 4 feet without adequate intermediate support.

(2). Regulation 11 of the principal Regulations is amended by adding immediately after subregulation 7 the following subregulations:

- (8) Where practicable no conductor shall be within 6 feet of

(i) exposed electric or telephone wires, or

(ii) radio or television antennae.

- (9) No conductor shall be within 6 feet of a tank containing a flammable liquid or gas.

12. Subregulations 2 and 3 of regulation 17 of the principal Regulations are revoked and the following substituted therefor:

- (2) A wing portion of a building having its roof-ridge on the same level as, or less than 5 feet below, the roof-ridge of the main portion, measured along the roof-slope, shall have an additional down-conductor for each 80 feet of length or part thereof, measured along the wall or foundation, and the conductors on the wing portion and the main portion shall be interconnected at the junction of the 2 ridges.

- (3) Except annexes provided for in regulation 54, a wing portion of a building having its roof-ridge more than 5 feet below the roof-ridge of the main portion, measured along the roof-slope, shall have 2 down-conductors and where the wing portion is more than 100 feet in length, measured along the wall or foundation, it shall have an additional down-conductor for each 60 feet of length or part thereof in excess of 100 feet, and where the roof-ridge of a wing portion intersects the upper half of a main roof, the conductor on the ridge of the wing portion shall be connected with the conductor on the ridge of the main portion.

13. Clauses *c* and *d* of regulation 25 of the principal Regulations are revoked and the following substituted therefor:

- (c) on flat roofs, 12 inches above them if within 2 feet of the edges, and 18 inches on intermediate conductors on the roof,

- (d) on or beside chimneys, ventilators or cupolas, 12 inches above the top, and

14. Regulation 26 of the principal Regulations is revoked and the following substituted therefor:

26. Air-terminals shall be installed

- (a) within twice the height of the air-terminal from each exposed gable and each corner of a flat roof, roof-deck or parapet,

- (b) within twice the height of the air-terminal, not exceeding 6 feet in distance, from the outer corners of a flat roof on a dormer where

(i) the junction of the dormer roof and the main roof is less than 3 feet vertically below the main ridge, and

(ii) the dormer roof extends more than 6 feet horizontally from its junction with the main roof,

- (c) within twice the height of the air-terminal, not exceeding 6 feet in distance, from the gable of a dormer having a roof-ridge less than 3 feet vertically below the main ridge or extending more than 6 feet horizontally from the upper half of the main roof or more than 8 feet horizontally from the lower half,

- (d) on or within 12 inches of each non-metallic projection above the roof or parapet,

- (e) on or beside chimneys so that the distance from any part of the top of the chimney to an air-terminal is not greater than twice the height of the air-terminal, but not exceeding 30 inches, above the top of the chimney,
- (f) within 12 inches of a stove-pipe projecting through a roof,
- (g) along roof-ridges, the edges of flat roofs and parapets at intervals not exceeding 10 times the combined heights of the 2 adjacent air-terminals, but in no case exceeding 25 feet, and
- (h) along intermediate conductors on flat roofs at intervals not exceeding 50 feet.

15. Subregulation 2 of regulation 28 of the principal Regulations is revoked and the following substituted therefor:

- (2) Connexions to metal roofs shall be made by means of metal plates or straps
  - (a) to which the air terminal is brazed, bolted or riveted,
  - (b) having not less than 9 square inches in tight contact with the roof-metal, and
  - (c) securely fastened to the roof by means of screws or rivets.

16(1). Clause *a* of subregulation 2 of regulation 29 of the principal Regulation is amended by adding at the end thereof the words "and have at least 3 legs".

(2). Clause *c* of subregulation 3 of regulation 29 of the principal Regulations is revoked and the following substituted therefor:

- (c) be attached to chimneys or other masonry surfaces by substantial fasteners, and to wood surfaces by at least 3 screws not less than 1¼ inches in length.

17. Regulation 30 of the principal Regulations is revoked and the following substituted therefor:

- 30. Except as provided for in subregulation 3 of regulation 55, groundings shall consist of copper cable, copper or copper-clad steel rods not less than ½ inch in diameter, galvanized steel rods not less than 5/8 inch in diameter or copper plates.

18. Subregulation 3 of regulation 31 of the principal Regulations is revoked and the following substituted therefor:

- (3) Groundings shall not be within 6 feet of any gas-main, gas-tank, oil-tank, gasoline tank or groundings for electric equipment or electric-wiring systems, but underground water-pipes may be used as a common grounding.

19. Subregulation 1 of regulation 33 of the principal Regulations is revoked and the following substituted therefor:

- (1) A down-conductor shall be connected to a ground rod by a clamp or clamps secured in tight contact with at least 3 inches of both the down-conductor and the ground rod by bolts or set screws.

20. Clause *a* of subregulation 1 of regulation 42 of the principal Regulations is revoked and the following substituted therefor:

- (a) if vertical
  - (i) on a flat roof, and

- (ii) on a sloped roof and extending above the roof-ridge or the highest edge of the roof slope or more than 15 inches above its junction with the roof,

be connected to the conductor or other grounded metal,

21. Clause *a* of subregulation 1 of regulation 43 of the principal Regulations is revoked and the following substituted therefor:

- (a) if a rain spout, guy-wire, support of a litter-carrier track, or other vertical metal, except metal conduits provided for in subregulation 7 of regulation 11, be grounded from its lower end and connected from its upper end to conductors within 6 feet and metal roofs within 2 feet, or

22. Regulation 44 of the principal Regulations is revoked and the following substituted therefor:

44.(1) Metal projecting through a roof shall,

- (a) if through a flat roof, be connected from its junction with the roof to the conductor or other grounded metal and, where practicable, be grounded from its lower end within the building; or
- (b) if through a sloped roof and extending
  - (i) above the roof-ridge or the highest edge of the roof slope, or
  - (ii) more than 15 inches above its junction with the roof,

be connected from its junction with the roof to the conductor or other grounded metal and, where practicable, be grounded from its lower end.

(2) Metal projecting through a wall shall,

- (a) if through the upper half of a one-storey wall or if more than 12 feet above ground level through a higher wall,
  - (i) be connected from the point where it emerges from the building to a conductor or other grounded metal and,
  - (ii) where practicable, be grounded from its lower or farther end within the building; or
- (b) if through the lower half of a one-storey wall or if less than 12 feet above ground level through a higher wall,
  - (i) be connected from the point where it emerges from the building to the conductor or other grounded metal within 6 feet or,
  - (ii) if a litter track more than 6 feet from a conductor, be connected to an independent grounding, and
  - (iii) where practicable, be grounded from its lower or farther end within the building.

23. Clause *a* of regulation 45 of the principal Regulations is revoked and the following substituted therefor:

- (a) if shafting, stanchions, litter-carrier track or horizontal pipe, be connected to conductors within 6 feet where practicable and have an independent grounding for each 100 linear feet or part thereof;

24. Regulation 48 of the principal Regulations is revoked and the following substituted therefor:

Conducting Materials And Methods For Grounding Metal Bodies.

- 48.(1) Connexions of metal bodies to conductors, metal roofing or metal siding shall be made with cable or strap.
- (2) Interconnexions of metal bodies not connected to conductors, metal roofing or metal siding, and connexions of metal bodies to independent groundings shall be made with
- (a) at least one 6-gauge copper or one 4-gauge aluminum wire, or
- (b) twisted or braided wires of gauges prescribed in subregulation 1 of regulation 4 and of half the weight prescribed in subregulation 2 of regulation 4 for cable, or
- (c) metal strap at least  $\frac{3}{4}$  inch wide.
- (3) Connexions of rain-spouts and of metal bodies, which are connected to conductors, metal roofing or metal siding to independent groundings shall be made with cable or strap of at least 17-gauge copper or 14-gauge aluminum and the straps shall be not less than 1 inch wide.
- (4) Connectors and methods of installation used to make connexions of conductors to metal objects shall be such as will ensure permanently tight contact between the conductor and the metal object.
- (5) Except
- (a) as provided for in regulation 13, and
- (b) for hay-fork tracks connected in an upward path where they are grounded from both ends,
- conductors used to ground metal bodies specified in regulations 42, 43, 44, 45, 46, and 47 shall be coursed throughout their length in a horizontal or downward path from the metal body.

25. Subregulation 5 of regulation 49 is revoked and the following substituted therefor:

- (5) Connexions of down-conductors to metal eaves or metal siding shall be made
- (a) if the down-conductors are cable, by means of metal plates
- (i) shaped to fit over and in tight contact with at least 3 inches of the cable,
- (ii) secured in tight contact with at least 9 square inches of the eaves or siding by means of 6 bolts, rivets or screws, and
- (iii) with the ends of the wires turned back over the edge of the metal plate; or
- (b) if the down conductors are strap, by securing at least 9 square inches of the strap in tight contact with the eaves or siding by means of 4 bolts, rivets or screws.
- (5a) Connexions of conductors, other than down-conductors, to metal roofs and metal siding shall be made

(a) if the conductor is cable, by means of metal plates

- (i) shaped to fit over and in tight contact with at least 2 inches of the cable,
- (ii) secured in tight contact with at least 6 square inches of the eaves or siding by means of 4 bolts, rivets or screws, and
- (iii) with the ends of the wires turned back over the edge of the metal plate; or
- (b) if the conductor is strap, by securing at least 6 square inches of the strap in tight contact with the eaves or siding by means of 3 bolts, rivets or screws.

26. Regulation 52 of the principal Regulations is revoked and the following substituted therefor:

52. Flag poles, radio masts, television masts, towers, spires and smoke-stacks may be equipped with a system independent of the structure of which they are a part or on which they are erected, but if the structure is equipped with a system, the systems shall be interconnected.

27. Subregulations 1 and 3 of regulation 53 of the principal Regulations are revoked and the following substituted therefor:

- (1) Where a silo
- (a) is within 4 feet of a building and extends above the adjacent roof-line, or
- (b) is within 8 feet of a building, and has a wall or roof of combustible construction in whole or in part, and extends above the adjacent roof-line,
- the silo shall be part of the building for the purposes of the Act.

- (3) Conductors on silos may have separate groundings or be connected to a conductor on an adjacent building or structure, or both, and if a silo has an outside diameter more than 14 feet or extends more than 4 feet above the nearest point of the adjacent roof-line, it shall have at least 2 groundings.

28. Clauses *a* and *b* of regulation 54 of the principal Regulations are revoked and the following substituted therefor:

- (a) it is not more than 8 feet in height, including chimneys, vents, and other projections, that are outside a cone of protection,
- (b) its height plus the distance it extends from the main building or structure is not greater than the height of the adjoining wall of the main building or structure, or

"Chenaux Development"  
and  
"Cave and Fourneau Development"  
New.  
Made—19th November, 1954.  
Filed—25th November, 1954.

REGULATIONS MADE UNDER THE LAKES  
AND RIVERS IMPROVEMENT ACT

1. The construction, description and dimensions of the aprons or slides which are to be provided for or in connection with the dam of The Hydro-Electric Power Commission of Ontario situate on the lands described in schedule 1 and known as the "Chenaux Development" shall be as

(a) shown on the plans

(i) numbered in the first column,

(ii) described in the second column, and

(iii) filed in the office of the Registrar of Regulations at Toronto by the plan numbers in the third column

of schedule 2 and

(b) as prescribed in the specifications in schedule 3.

2. The construction, description and dimensions of the aprons and slides which are to be provided for or in connection with the dam of The Hydro-Electric Power Commission of Ontario situate on the lands described in schedule 4 and known as the "Cave and Fourneau Development" or as the "Otto Holden Generating Station" shall be as

(a) shown on the plans

(i) numbered in the first column

(ii) described in the second column, and

(iii) filed in the office of the Registrar of Regulations at Toronto by the plan numbers in the third column

of schedule 5 and

(b) as prescribed in the specifications in schedule 6.

## SCHEDULE 1

All that part of Lot 26, Concession VIII, and part of the bed of the Ottawa River lying east of the said lot, in the Township of Horton, in the County of Renfrew, in the Province of Ontario, having an area of 16.5 acres, more or less, more particularly described as follows:

COMMENCING at a point in the interior of said Lot 26 distant 1093.64 feet measured on a course of south 80 degrees, 47 minutes and 30 seconds east from the most westerly angle of said Lot 26; thence south 20 degrees and 40 minutes east 800.00 feet; thence north 69 degrees and 20 minutes east to the interprovincial boundary between the Province of Quebec and the Province of Ontario; thence north-westerly along the said interprovincial boundary to where it is intersected by a line drawn on a course of north 69 degrees and 20 minutes east from the point of commencement; thence south 69 degrees and 20 minutes west along the last-mentioned line to the point of commencement.

## SCHEDULE 3

1. In these specifications "log-chute" means apron or slide.

## PORTAGE DU FORT DAM

2. The dam shall

(a) be a concrete gravity-type dam, with a wing wall consisting of an earth fill with a concrete core wall, extending across the Portage du Fort channel of the Ottawa River; and

(b) comprise

(i) a north bulkhead section;

(ii) a stop-log sluice-section;

(iii) a south bulkhead section; and

(iv) an earth fill with concrete core wall section

as shown on plan number C-419-123.

## 3. The bulkhead section shall

## (a) be

- (i) constructed of concrete; and
- (ii) of gravity-type design

with a top width of 12 feet, a vertical upstream face, and a sloped downstream face; and

## (b) extend

- (i) from the rock at elevation 290 feet above mean sea level on the north bank of the Portage du Fort channel to the north end of the stop-log sluice-section; and
- (ii) from the south end of the stop-log section to a rock shoulder on Limerick Island on the south bank of the Portage du Fort channel.

## 4. The earth fill with concrete core wall shall

- (a) be of the rolled fill embankment type with a top width of 32 feet;
- (b) have upstream and downstream slopes protected by rock riprap; and
- (c) extend from the south end of the south bulkhead section to elevation 290 feet above mean sea level on Limerick Island.

## 5. The stop-log sluice-section shall

- (a) be located in the Portage du Fort channel and between the north and south bulkhead sections;
- (b) contain 8 sluice-ways, each 16 feet wide, with the sills of the sluice-ways at elevation 262 feet above mean sea level or 23 feet below normal regulated water level; and
- (c) be equipped with a travelling spud-winch, operating on the stop-log sluice-deck, for raising and lowering the timber stop-logs in each sluice-way.

## LIMERICK ISLAND DAM

## 6. The dam shall

- (a) be a concrete gravity-type extending across the dewatering or flood channel excavated through Limerick Island; and
- (b) comprise
  - (i) a north bulkhead section;
  - (ii) a stop-log sluice-section;
  - (iii) a sluice-gate section;
  - (iv) a stop-log sluice-section; and
  - (v) a south bulkhead section
 as shown on plan number B-419-122.

## 7. The bulkhead sections shall

## (a) be

- (i) constructed of concrete; and
- (ii) of gravity-type design

with a top width of 12 feet, a vertical upstream face, and a sloped downstream face; and

## (b) extend

- (i) from the rock at elevation 290 feet above mean sea level on the north side of the dewatering channel to the north end of the north stop-log sluice-section; and
- (ii) from the south end of the south stop-log sluice-section to a junction with the east end of the main dam on the east bank of the interprovincial channel of the Ottawa River.

## 8. The stop-log sluice-sections shall

- (a) be located on either side of the deep section of the dewatering or flood channel excavated across Limerick Island;
- (b) contain 8 sluice-ways, each 16 feet wide, in each of the two sections, with the sills of the sluice-ways at elevation 262 feet above mean sea level, or 23 feet below normal regulated water level; and
- (c) be equipped with travelling spud-winch, operating on stop-log sluice-decks, for raising and lowering the timber stop-logs in each sluice-way.

## 9. The sluice-gate section shall

- (a) be located across the deep section of the dewatering or flood channel excavated across Limerick Island and between the stop-log sluice-sections;
- (b) contain 6 sluice-ways, each 40 feet wide, with the sills at elevation 255 feet above mean sea level or 30 feet below normal regulated water level; and
- (c) be equipped with individually motor-operated steel gates 30 feet high; in addition, one set of emergency steel stop-logs shall be provided, to be operated by a travelling electric mono-rail hoist for placing or removing these stop-logs in their checks located upstream of the steel sluice-gates.

## MAIN DAM

## 10. The dam shall

- (a) be a concrete gravity-type, extending across the interprovincial channel of the Ottawa River; and
- (b) comprise
  - (i) an east bulkhead section;
  - (ii) a log-chute and flume;
  - (iii) a headworks or intake section;
  - (iv) a west bulkhead section
 as shown on plan number B-419-121.

## 11. The bulkhead sections shall

## (a) be

- (i) constructed of concrete; and
- (ii) of gravity-type design

with a top width of 12 feet on the east section and 16 feet on the west section, a vertical upstream face, and a sloped downstream face; and

## (b) extend

- (i) from the end of the Limerick Island dam, on the east bank of the interprovincial channel, to the east end of the headworks or intake section; and
- (ii) from the west end of the headworks or intake section to rock at elevation 290 above mean sea level on the west bank of the interprovincial channel of the Ottawa River.

## 12. The log-chute section shall

- (a) be located through the east bulkhead section;
- (b) have an intake 20 feet wide and with the sill at elevation 275 feet above mean sea level or 10 feet below normal regulated water level;
- (c) connect through a transition to a concrete chute and extend from the forebay to the Ottawa River downstream from the power house; and
- (d) be controlled by a motor-operated steel Tainter gate designed to pass the logs over its upper surface

as shown on plan number A-419-124.

## 13. The headworks or intake section shall

- (a) be located between the east and west bulkhead section and in the interprovincial channel of the Ottawa River;
- (b) comprise 8 concrete intakes, each connected directly to a concrete scroll case for one turbine;
- (c) have each intake made up of 3 water passages, each 15 feet wide, with the sill at elevation 236 feet 6 inches above mean sea level, or 48 feet 6 inches below normal regulated water level;
- (d) be designed so that each of the 24 water-passages through the headworks is controlled by a motor-operated steel head gate, and equipped with a set of removable steel trash-racks. In addition three sets of steel stop-logs shall be provided so that any unit may be dewatered if its set of head gates were out of service; and
- (e) be equipped with a travelling electric gantry crane designed to service the head-gates, stop-logs, and trash-racks. In addition, the gantry crane shall be equipped with a slow speed trolley hoist for the removal of trash or debris from in front of the trash-racks.

## POWER HOUSE

## 14. The power house shall

- (a) be located in the interprovincial channel of the Ottawa River, as shown on plan number B-419-121;
- (b) contain equipment for the generation of electric power from the hydraulic power available in that reach of the Ottawa River between the production of the line between Lots 23 and 24, Concession VII, Township of Horton, and the production of the line between Lots 8 and 9, Concession XIII, Township of Ross; and
- (c) consist of a reinforced concrete substructure containing 8 scroll cases and draft tubes, with a superstructure 642 feet 5 inches in length, including erection and machine shop areas.

15. The superstructure shall have a structural steel frame, reinforced concrete walls, and a precast Haydite slab roof with bonded tar and gravel covering.

16. All windows shall be glass brick or glazed aluminum sash frames.

17. All exterior doors shall be steel frame with aluminum cover; interior doors shall be of standard hollow metal types except those below the turbine floor level, which shall be standard wooden types.

18. Interior partitions shall be of tile and plaster construction.

19. All stairways shall be of reinforced concrete or of structural steel construction.

## TAIL RACE

## 20. The tail-race channel shall

- (a) be located in the interprovincial channel of the Ottawa River;
- (b) be approximately 150 feet long, extending from the floor of the draft tubes on an upward slope of 5 on 1 to intersect the bed of the river; and
- (c) be designed to pass 40,160 cubic feet of water per second at an approximate velocity of 2.1 feet per second.

## DIVERSION AND FLOOD CHANNEL

## 21. The diversion and flood channel shall

- (a) be excavated across Limerick Island from the interprovincial channel to the Portage du Fort channel;
- (b) be approximately 1600 feet long by 662 feet wide;
- (c) be designed with the central section 310 feet wide with the bottom at elevation 239 feet above mean sea level; and
- (d) be designed with the outer or berm sections each 176 feet wide, with the bottom at elevation 253 feet above mean sea level.

22. During the construction period, the channel shall be used to divert the flow of the Ottawa River so that the power house may be constructed in the dry. This channel, together with the Portage du Fort channel, under these conditions shall have a minimum capacity of 140,000 cubic feet per second without allowing the upstream water levels to exceed the top levels of the cofferdam at elevation 270 feet above mean sea level.

23. After completion of construction, the channel will be used to pass the flood flows of the Ottawa River. The channel under these conditions, together with the stop-log sluices of the Portage du Fort dam, shall have a minimum capacity of 200,000 cubic feet per second with the head pond at elevation 280 feet above mean sea level, or 5 feet below normal regulated water level.

## AUXILIARY DAM

## 24. The auxiliary dam shall be

- (a) located across a shallow draw or valley to the north of the village of Portage du Fort;
- (b) constructed of concrete; and
- (c) of gravity-type design

with a top width of 5 feet, a vertical upstream face, and a sloped downstream face, as shown on plan number C-419-123.

DESIGN SPECIFICATIONS

25. The concrete gravity-type dams shall be designed to resist
- (a) the hydrostatic pressure acting on the upstream face and the hydrostatic pressure of uplift under the base, with the head pond at elevation 290 feet above mean sea level;
  - (b) the hydrostatic pressure acting on the upstream face and the hydrostatic pressure of uplift under the base, with the head pond at elevation 285 feet above mean sea level. In addition, a load due to ice pressure shall be applied on the upstream face at elevation 284;
  - (c) the vertical gravity forces with the reservoir empty;
  - (d) the uplift pressure where applied, and which shall be assumed as full headwater hydrostatic pressure at the upstream face varying uniformly to full tail-water pressure at the downstream face and applied over 2/3 of the base area; and
  - (e) the ice pressure where applied, and which shall be assumed as
    - (i) 10,000 pounds per lineal foot on bulk-heads and piers;
    - (ii) 6,000 pounds per lineal foot on steel sluice-gates; and
    - (iii) 2,000 pounds per lineal foot on timber stop-logs.

26. All sections of the work shall be constructed of concrete which, for design purposes, has been taken as weighing 145 pounds per cubic foot, and which shall have a minimum strength of 3,000 pounds per square inch at 28 days.

27. The gates, bridges, towers, and other structural steel parts shall be designed for a basic working stress of 18,000 pounds per square inch. With the gates in the raised position and coated with 1/2-inch of ice, and a 30-pound wind applied, all simultaneously, then the basic stress will be allowed to increase up to a maximum of 22,000 pounds per square inch.

28. The other parts, such as steel and iron castings, forgings, bronze bushings, etc., shall be designed so as to have a minimum factor of safety of 5.

29. The reinforcing steel shall conform to the latest Canadian Standards Association specification, and shall be of structural or hard grade. The basic working stress shall be 20,000 pounds per square inch.

30. The dams, headlock, and power house shall be built on solid rock.

SCHEDULE 4

All that part of Lot 39, Concession VIII, part of the allowance for road on the west bank of the Ottawa River and part of the bed of the Ottawa River lying east of said allowance for road in the geographic Township of Mattawan, in the Territorial District of Nipissing, in the Province of Ontario, having a total area of 19.65 acres, more or less, and described as follows:

COMMENCING at a point in the interior of said Lot 39, which point may be located as follows:

Beginning at the south-west angle of said Lot 39; thence north 00 degrees 01 minutes and 30 seconds east along the western limit of Lot 39 aforesaid, 3146.30 feet; thence north 82 degrees and 44 minutes east, 654.80 feet; thence north 7 degrees and 16 minutes west, 300.00 feet to the said point of commencement; thence south 7 degrees and 16 minutes east, 800.00 feet; thence north 82 degrees and 44 minutes east to the interprovincial boundary between the Province of Quebec and the Province of Ontario; thence northerly along said interprovincial boundary to where it is intersected by a line drawn on a course of north 82 degrees and 44 minutes east from the said point of commencement; thence south 82 degrees and 44 minutes west along the last-mentioned line to the point of commencement.

SCHEDULE 6

1. In these specifications "log-chute" means apron or slide.

DAM

2. (1) The dam shall
- (a) be a concrete gravity-type dam extending across the Ottawa River from the bank of the river on the Ontario side of the boundary to the bank of the river on the Quebec side of the boundary at La Cave Rapids; and
  - (b) comprise
    - (i) a west bulkhead section;
    - (ii) a headworks section;
    - (iii) a sluice-gate section;
    - (iv) a stop-log sluice-section;
    - (v) an east bulkhead section; and
    - (vi) a log-chute section.
- as shown on plan number 83-d-2234.

(2) The bulkhead sections shall

(a) be

(i) constructed of concrete; and

(ii) of gravity-type design,

with a top width of 15 feet 4 inches and upstream and downstream slopes; and

(b) extend easterly and westerly to meet solid rock at elevation 588 feet above mean sea level.

(3) The headworks section shall contain the intakes to the turbines. There will be two water-passages to each of the eight unit intakes. The water-passages will be rectangular in section, 19 feet six inches wide and eighteen feet high.

(4) The intake for each unit shall be equipped with trash-racks, checks for steel emergency gates and motor-operated steel headgates.

(5) The trash-racks, emergency gates and headgates shall be served by a gantry crane operating on the headworks deck.

(6) A concrete superstructure on the deck of the headworks section shall house the hoisting mechanism.

(7) The sluice-gate section shall contain six sluice-ways, each 40 feet wide and with the sills of the sluice-ways at elevation 553.0 feet above mean sea level, or 30 feet below "regulated" water level.

(8) Each sluice-gate sluice-way shall be equipped with a motor-operated steel gate 31 feet high, checks shall be provided for steel emergency gates operated by a hoist running on a monorail.

(9) The stop-log sluice-section shall contain 42 sluice-ways, each 16 feet wide, with the sills of the sluice-ways at elevation 561 feet above mean sea level or 22 feet below "regulated" water level.

(10) Each stop-log sluice-way shall be equipped with timber stop-logs raised and lowered by two travelling spud-winchies operating on the stop-log sluice-deck.

(11) The log-chute headblock shall be situated in the east bulkhead section with an intake 20 feet wide and with the sill at elevation 573 feet above mean sea level or 10 feet below "regulated" water level. The chute will not be constructed initially.

(12) The temporary log-chute shall be located in stop-log sluice number 11 and shall be constructed in accordance with plan number 83-1-2235.

#### POWER HOUSE

3. (1) The power house shall

(a) contain equipment for the generation of electric power from the hydraulic power available in that reach of the Ottawa River lying between the production easterly of the centre line of the allowance for road between concessions VII and VIII in the geographic Township of Mattawan and the production easterly of a line drawn parallel to and 1320 feet southerly from the boundary line between the townships of Poitras and Wyse in the Territorial District of Nipissing; and

(b) consist of a reinforced concrete substructure with reinforced concrete scroll cases and draft tubes, and a superstructure approximately 450 feet long.

(2) The superstructure shall be structural steel and concrete.

(3) All window frames shall be of aluminum sash.

(4) Interior partitions shall be of tile and plaster construction.

#### TAIL RACE

4. (1) The tail-race channel shall

(a) be approximately 2,000 feet long;

(b) extend downstream from the power house along the bed of the Ottawa River; and

(c) be designed to add about 5 feet of head to the development.

#### DIVERSION CHANNEL

5. The diversion channel shall be

(a) approximately 2,700 feet long, and

(b) excavated upstream and downstream from the stop-log sluice-section on the east bank of the Ottawa River.

#### DESIGN AND SPECIFICATIONS

6. The concrete gravity-type dam is designed to resist

(a) the hydrostatic pressure acting on the upstream face, with forebay elevation at 588 feet above mean sea level, and

(b) in combination with water at elevation 583 feet above mean sea level, the following ice conditions

(i) bulkhead sections and piers, 10,000 pounds per lineal foot,

(ii) steel sluice-gates, 5,000 pounds per lineal foot, and

(iii) timber stop-logs, 2,000 pounds per lineal foot.

7. All sections of the dam shall be constructed of concrete which for design purposes has been taken as weighing 145 pounds per cubic foot.

8. The gates, bridges, towers and other structural parts have been designed for a working stress of not more than 30 per cent of the ultimate strength of the materials used.

9. The mechanized parts have been designed for a working stress of between 10 and 20 per cent of the ultimate strength of the materials used.

10. The water-passages are designed to withstand the full hydrostatic head-pressure plus the pressure rise which would result from an operation of the turbine gates from fully-opened to fully-closed position in four seconds.

11. The specifications of concrete for the dam are as follows:

(a) bulkhead sections

(i) interior centre portion, 2,000 pounds per square inch, and

(ii) surface portions, 3,000 pounds per square inch,

- (b) piers and decks, 3,000 pounds per square inch, and
- (c) power house, a minimum of 2,000 pounds per square inch.

12. The specifications of reinforcing steel is Billet steel with 18,000 pounds per square inch allowable working stress.

13. The dam and power house shall be built on solid rock which underlies the site.

## THE MILK INDUSTRY ACT, 1954

O. Reg. 193/54.

Manner of Taking Votes Under Sections 29 and 30 of the Act.

New.

Approved—19th November, 1954.

Filed—25th November, 1954.

## REGULATIONS MADE BY THE BOARD UNDER THE MILK INDUSTRY ACT, 1954

### MANNER OF TAKING VOTES UNDER SECTIONS 29 AND 30 OF THE ACT

#### INTERPRETATION

#### 1. In these regulations

- (a) "area" when used with reference to a marketing plan or a proposed marketing plan means Ontario or that part of Ontario to which the marketing plan applies or the proposed marketing plan is to apply;
- (b) "district" means a division of an area under subregulation 2 of regulation 2; and
- (c) "polling booth" means a place of voting in a district on questions under sections 29 and 30 of the Act.

#### VOTERS' LISTS

2.(1) The Board shall prepare in the manner prescribed by subregulations 3 and 4 voters' lists of all producers eligible to vote in the area upon a question submitted under subsection 2 of section 29 or section 30, as the case may be, of the Act.

(2) The Board shall divide the area into districts for the purpose of the vote.

(3) Voters' lists shall be prepared by districts.

(4) Each voters' list shall contain the names and places of production of all producers eligible to vote in the district.

#### RETURNING OFFICERS

3.(1) The Board shall appoint a Returning Officer and such deputy returning officers as may be required for the taking of the vote.

(2) One deputy returning officer shall be appointed for each district in the area.

(3) The Board shall notify the Returning Officer and the deputy returning officers of their appointments at least 15 days before the first polling-day.

#### PREPARATION FOR VOTE

#### 4.(1) The Board shall

- (a) determine
  - (i) the number of polling booths required,
  - (ii) the day or days on which voting is to take place, and
  - (iii) the times during the day or days that polling booths are to remain open, and
- (b) notify all Ontario Agricultural Representatives in the area of its determinations under clause a.

(2) The Board shall prepare copies of the marketing plan or proposed marketing plan, as the case may be, and distribute them

- (a) to each Ontario Agricultural Representative in the area, and
- (b) where a deputy returning officer in any district is not the Ontario Agricultural Representative, to the deputy returning officer appointed for the district,

at least 15 days before the first polling-day.

#### BALLOTS

5.(1) The Board shall cause to be printed a sufficient number of ballots, not less than the number of producers eligible to vote, necessary for the taking of the vote.

(2) The Board shall forward the ballots to the Returning Officer at least 10 days before the first polling-day.

6.(1) Where the vote is on the question under subsection 2 of section 29 of the Act the ballot shall be in form 1.

(2) Where the vote is on the question under section 30 of the Act, the ballot shall be in form 2.

#### ARRANGEMENTS FOR VOTING

7. The Board shall provide the polling booth and ballot boxes in each district.

8. The Board shall furnish at least 10 days before the first polling-day the Returning Officer with sufficient copies of all voters' lists necessary to supply each deputy returning officer with at least 2 copies of the voters' list for the district of the deputy returning officer.

9. The Returning Officer shall furnish to each deputy returning officer at least 5 days before the first polling-day

- (a) a sufficient number of ballots, not less than the number of producers eligible to vote, necessary for the taking of the vote, in the district of the deputy returning officer,
- (b) at least 2 copies of the voters' list of producers eligible to vote at the polling booth of the deputy returning officer, and
- (c) a copy of the Act and these regulations and such further instructions and information as he deems necessary for the taking of the vote.

## POSTING OF VOTERS' LIST

10. Each deputy returning officer shall post up in the polling booth before the first polling-day

- (a) one copy of the voters' list of all producers eligible to vote at the polling-booth, and
- (b) one copy of the marketing plan or the proposed marketing plan.

## VOTE TO BE SECRET

11. Every vote shall be by secret ballot on the prescribed form.

## VOTING

12.(1) Each deputy returning officer shall issue only 1 ballot to each person who

- (a) is recorded on the voters' list, and
- (b) presents himself as a voter at the polling-booth.

(2) Where a deputy returning officer deems necessary, he shall require the person who presents himself as a voter to be identified as the producer eligible to vote.

(3) Where the name and place of production of any person is not recorded on the voters' list and he claims the right to vote

- (a) the deputy returning officer, before issuing a ballot, shall require the person to write legibly his name and place of production on an envelope furnished by the deputy returning officer,
- (b) where the person has complied with the provisions of clause *a*, the deputy returning officer shall issue to him a ballot and an unmarked envelope,
- (c) where the person has
  - (i) marked his ballot,
  - (ii) placed the marked ballot in the unmarked envelope and sealed it, and
  - (iii) placed the sealed, unmarked envelope in the envelope furnished under clause *a* and sealed it,

he shall deliver his ballot in the inner and outer sealed-envelopes to the deputy returning officer.

(4) The deputy returning officer shall retain the ballot in the inner and outer sealed-envelopes until he delivers or sends it to the Returning Officer under clause *b* of subregulation 4 of regulation 13.

13.(1) The deputy returning officer shall see that the ballot box is empty before voting takes place and shall lock it and keep it locked until the time for voting on the last polling-day has expired.

(2) Subject to subregulation 3 of regulation 12, the deputy returning officer shall, upon satisfying himself that a ballot marked by a voter is the ballot which he issued to the voter, deposit it in the ballot box.

(3) The deputy returning officer shall mark on a copy of the voters' list the issuance of a ballot to each voter opposite his name.

(4) Within 3 days from the date of the last polling-day the deputy returning officer shall deliver, or send by registered mail, to the Returning Officer

- (a) all ballots deposited in the ballot box during voting,
- (b) all envelopes containing ballots marked under subregulation 3 of regulation 12,
- (c) the copy of the voters' list marked under subregulation 3, and
- (d) all unused ballots.

## ASSISTANTS FOR DEPUTY RETURNING OFFICERS

14. The Board may engage such persons as the deputy returning officers may require to assist in the taking of the vote.

## BALLOTS IN SEALED ENVELOPES

15.(1) The Returning Officer shall deliver to the Board all ballots in the sealed envelopes under subregulation 3 of regulation 12.

(2) Where the Board finds that any person whose name and place of production recorded on an envelope was eligible to vote, it shall remove the inner sealed-envelope and deliver it to the Returning Officer who shall remove the ballot and record the answer in the vote.

## RETURN OF RETURNING OFFICER

16.(1) The Returning Officer shall make a return to the Board of the result of the vote as soon as possible after all ballots cast are counted.

(2) The return of the Returning Officer shall be in form 3.

## PERCENTAGE OF VOTES

17. The producers voting in favour of the establishment of the marketing plan shall be not less than  $66 \frac{2}{3}$  per cent of all producers eligible to vote.

18. The producers voting in favour of the authorization of a marketing agency to conduct a pool or pools under a marketing plan shall be not less than 75 per cent of all producers eligible to vote.

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

**The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:**

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing.

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissions of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, Q.C.,  
Clerk of the Legislative Assembly  
of Ontario.

Made—30th November, 1954.

Approved—2nd December, 1954.

Filed—3rd December, 1954.

REGULATIONS MADE BY THE BOARD UNDER  
THE ONTARIO FUEL BOARD ACT, 1954

## PART 1

## LICENCES AND PERMITS

## 1.(1) A licence

- (a) to acquire any oil or natural gas rights, or
- (b) to prospect for oil or natural gas, or
- (c) to produce natural gas, or
- (d) to distribute natural gas, or
- (e) to transmit natural gas,

shall be in Form 1, or 2, or 3, or 4, or 5, respectively.

(2) A licence under clause *a* of subregulation 1 shall be issued subject to the condition that where a person other than a corporation is employed by a corporation to acquire oil or natural gas rights on behalf of the corporation, both that person and the corporation shall each be the holders of a licence.

2.(1) No person shall operate a machine for boring or drilling wells unless the machine is licensed by the Board.

(2) A licence for a machine for boring or drilling wells shall be in Form 6.

(3) The licence shall be kept in a conspicuous position on or near the machine for which it was issued.

3.(1) A licence expires with the 31st day of December of the year in which it is issued.

(2) A licence shall not be transferable.

## 4. The fees payable for licences are as follows:

- (a) to acquire any oil or natural gas rights. . . \$10.
- (b) to prospect for oil or natural gas. . . . . 10.
- (c) to produce natural gas where the amount of gas produced in the year preceding the year for which application for a licence is made
  - (i) did not exceed 500,000 cubic feet, no charge
  - (ii) exceeded 500,000 cubic feet. . . . . 10.
- (d) to distribute natural gas where the amount of gas distributed in the year preceding the year for which application for a licence is made
  - (i) did not exceed 10,000,000 cubic feet. . 10.
  - (ii) exceeded 10,000,000 cubic feet but did not exceed 100,000,000 cubic feet. . 25.

(iii) exceeded 100,000,000 cubic feet but did not exceed 500,000,000 cubic feet. 100.

(iv) exceeded 500,000,000 cubic feet. . . . . 250.

(e) to transmit natural gas where the amount transmitted in the year preceding the year for which application for a licence is made

(i) did not exceed 500,000,000 cubic feet. 100.

(ii) exceeded 500,000,000 cubic feet. . . . . 250.

(f) for a machine for boring or drilling wells. . . 10.

5.(1) A permit for the use of natural gas for industrial purposes shall be in Form 7.

(2) The permit shall

(a) set out

(i) the industrial purposes for which natural gas is to be used, and

(ii) the amount of natural gas that the permittee is entitled to use in any year on a month to month basis as agreed between the distributor and the permittee,

(b) contain the condition that the distributor may, at any time when his supply of natural gas may not be sufficient, interrupt or curtail the supply of natural gas to the permittee.

(3) The fee payable for a permit for the use of natural gas for industrial purposes is \$3, payable by the permittee on issue of the permit and thereafter annually on or before the 31st day of January in each year.

(4) Subject to subregulation 3, a permit remains in force so long as the terms and conditions thereof remain unchanged.

(5) A permit for the use of natural gas for industrial purposes is not transferable.

(6) Each distributor of natural gas shall, on or before the 31st day of January in each year, forward to the Board a statement containing a list of the holders of permits to whom it supplied natural gas for industrial purposes in the preceding calendar year, with

(a) the permit number,

(b) the amount of natural gas the holder was entitled to use,

(c) the actual consumption for that year, and

(d) the purposes for which the natural gas was used,

set opposite the name of each holder.

6.(1) No person shall install an appliance for the use of natural gas for space heating without a permit from the Board.

(2) A permit to install an appliance for the use of natural gas for space heating shall be in Form 8.

(3) The fee for a permit to install an appliance for the use of natural gas for space heating shall be \$1.

7. The Board may suspend or cancel a licence or a permit for any violation of the Act or of these regulations by the licensee or permittee.

## PART 2

## DRILLING AND PRODUCTION

8. This part applies to wells.

9. Where oil or natural gas is encountered during any boring or drilling operations being carried on in respect of minerals or substances, other than oil or natural gas, the operations thereupon shall become subject to the Act and these regulations.

10. Subject to section 14 of the Act, no person shall drill or bore a well

- (a) within 150 feet of the near limit of any highway or road allowance; or
- (b) within 330 feet of the boundaries of land to which oil or natural gas rights of another person pertain, and where a highway or road allowance intervenes, and subject to clause a, the 330 feet shall be measured from the centre line of the highway or road allowance; or
- (c) within 1000 feet of a well capable of producing oil or natural gas located within the boundaries of the land to which his oil or natural gas rights pertain.

11. Where a person proposes to drill or bore a well, he shall, before commencing the drilling or boring operations, complete Form 9 and forward it forthwith to the Board.

12. Subject to section 14 of the Act, a person prospecting for oil or natural gas by boring or drilling a well shall forward to the Board within 30 days after the completion of the boring or drilling

- (a) samples of rock cuttings taken at intervals of not more than 10 feet, washed, dried, bagged and labeled, and
- (b) a complete record in Form 10.

13. A person boring, drilling or prospecting for oil or natural gas shall take such measures as are reasonably necessary to control the infiltration of injurious waters from one horizon to any other horizon which may be penetrated during drilling or boring operations.

14.(1) Subject to section 15 of the Act, no person shall re-pressure, maintain pressure in, or flood any oil or natural gas horizon by the injection of oil, gas, water or other substance.

(2) Subregulation 1 does not apply to the injection for storage, or removal from storage of natural gas in respect of any natural gas storage area designated as such on the effective date of these regulations.

15. All wells shall be cased and equipped so as to prevent the uncontrolled flow of oil, natural gas or water.

16. Casing and equipment shall be in good condition and of adequate thickness and strength to withstand any pressure to which it might be subjected.

17.(1) All dry or abandoned wells shall be plugged in a manner that will

- (a) ensure protection for potential oil or natural gas producing horizons, and
- (b) retain water in its original formations.

(2) Before commencing the plugging of a dry or abandoned well the person carrying out the plugging operations shall complete Form 11 and forward it forthwith to the Board.

(3) A record of the plugging of a dry or abandoned well shall be in Form 12 and shall be forwarded to the Board within 30 days of the completion of the plugging operations.

## PART 3

## DISTRIBUTION

18. Subject to section 15 of the Act, natural gas shall be supplied to consumers according to the following order of preferences:

- (a) for residential purposes other than space heating,
- (b) for commercial purposes other than space heating,
- (c) for space heating of residences, apartments and lodgings either by individual room heaters or by central heating,
- (d) for space heating of commercial buildings except buildings used for industrial purposes, and
- (e) for any industrial purpose.

19. No person shall knowingly

- (a) supply natural gas for, or
- (b) use natural gas in,

a space heating appliance for which a permit has not been issued by the Board.

20. No consumer of natural gas shall use any suction device to increase the flow of gas into any appliance.

21. All natural gas delivered to a consumer shall be measured through a meter.

22. No person holding a permit to use natural gas for industrial purposes shall use natural gas in excess of the volume set out in the permit.

23. No person shall install in any premises any appliance for the use of natural gas without giving notice to the distributor of the natural gas, of the address of the premises and of the type of appliance.

24.(1) No person shall furnish, supply or receive any natural gas without charge or at a special reduced rate under any agreement, bargain, lease or other contract, or renewal thereof, in which the supplying of natural gas without charge or at a special reduced rate is the consideration or part of the agreement, bargain, lease or other contract or renewal thereof.

(2) Subregulation 1 does not apply to any such agreement, bargain, lease or other contract or renewal thereof made in accordance with law before the effective date of these regulations.

## PART 4

## REPORTS AND RECORDS

25. When required to do so by the Board, every person producing natural gas shall determine the open-flow potential of each natural gas well capable of production, except wells in which natural gas is stored.

26. Every person producing natural gas shall, on or before the 15th of November in each year, make an annual statement to the Board showing the shut-in well-head pressure of each natural gas well except wells in which natural gas is stored.

27. Every person distributing natural gas shall make a monthly statement, in duplicate, to the Board in Form 13 on or before the 20th day of each month, for the preceding month.

28.(1) Every person producing, storing, transmitting or distributing natural gas shall maintain a map or maps of his production and storage areas and his transmission and distribution systems.

(2) Every person producing oil shall maintain a map or maps of his production system.

29.(1) Every person producing oil shall make an annual report in duplicate to the Board in Form 14.

(2) Every person producing, storing, transmitting or distributing natural gas shall make an annual report in duplicate to the Board in Form 15.

(3) The report under subregulation 1 or 2 shall be filed on or before the 15th of March in each year, for the year ending with the 31st of December of the preceding year.

#### PART 5

##### DESIGNATION OF NATURAL GAS STORAGE AREAS

30. The areas described in schedule 1 are designated as natural gas storage areas in respect of any geological formation or formations, for the injection, storage and removal of natural gas, and the drilling or boring or sinking or operating shafts or wells of any kind therein without the consent of the Board are prohibited.

#### PART 6

##### RULES OF PRACTICE AND PROCEDURE

31. In this Part

- (a) "file" means file with the Board; and
- (b) "respondent" means person, other than the applicant, named in an application and includes such other person as the Board may direct to be served with a copy of the application.

32. A proceeding before the Board under the Act shall be commenced by filing an application in the manner prescribed in regulations 31 to 36, both inclusive.

33.(1) The application shall

- (a) be filed in quadruplicate,
- (b) contain a clear and concise statement of the facts, the grounds of application, the provisions of the Act under which it is made, the nature of the order applied for, and the relief or remedy to which the applicant claims to be entitled,
- (c) be divided into paragraphs numbered consecutively, each of which is to be confined as nearly as possible to a distinct portion of the subject,
- (d) where it is an application affecting any other person, contain the name and address of that person, but on an application to fix rates, it is not necessary to name each of the consumers affected,
- (e) be signed by the applicant, or on his behalf, by his solicitor or agent, and
- (f) be endorsed with the name and address of the applicant or of his solicitor acting for him.

(2) Within 14 days from the day of filing an application, exclusive of the day of filing, the applicant shall serve on the respondent or respondents a copy of the application.

34.(1) Within 14 days from the day of service of a copy of an application, exclusive of the day of service, the respondent shall file an answer, if any, to the application.

(2) The respondent shall serve upon the applicant a copy of his answer on or before the day that he files his answer.

(3) The answer to an application shall be

- (a) in quadruplicate,
- (b) a clear and concise statement of the grounds upon which the application is opposed,
- (c) signed by the respondent, or on his behalf by his solicitor or agent, and
- (d) endorsed with the name and address of the respondent or of his solicitor acting for him.

35.(1) The applicant shall file his reply, if any, to the answer of a respondent to the application within 10 days from

- (a) the day of service of the copy of the respondent's answer to the application, or
- (b) the day of filing the respondent's answer,

exclusive of the day of service or filing, whichever is later.

(2) The applicant shall serve a copy of his reply to a respondent's answer upon the respondent on or before the day that he files the reply.

(3) The reply shall be

- (a) in quadruplicate,
- (b) signed by the applicant or on his behalf by his solicitor or agent,
- (c) endorsed with the applicant's name and address or of his solicitor acting for him.

36. Where the time for filing an answer to an application or a reply to an answer, has expired, the time for filing the answer or reply as the case may be, shall be deemed closed.

37. Upon motion made to the Board by a party to an application, the Board may, after a hearing, by order direct the examination or audit, or both, of such books and records of any other party to the application as relate to the matters in issue.

38. Where an application has been filed, and the answer, if any, has been filed, or the time for filing an answer or reply, as the case may be, has expired, the Board shall serve or cause to be served upon the applicant and respondent a notice of hearing in Form 16.

#### OTHER APPLICATIONS

39. An application on proceedings before the Board under any other Act shall be filed in quadruplicate.

## SERVICE OF PAPERS

40.(1) Where any person is required to serve any notice, document or paper, in proceedings before the Board under the Act or any other Act, he shall serve it personally or by sending it by registered mail to the person to be served at this address for service or his last-known or usual address and that service shall be deemed to be good and sufficient service and to have been made on the date of mailing.

(2) Where the name and address of a solicitor of a party to a proceeding is endorsed on or is shown in an application, answer or reply, any notice, document or paper required to be served upon the party may be served upon the solicitor personally or by sending it by registered mail to the solicitor at his last-known or usual address and that service shall be deemed to have been good and sufficient service and to have been made on the date of mailing.

(3) Where

- (a) the number of persons affected by an application is so large that in the opinion of the Board it is not practicable to serve the persons under subregulation 1, or
- (b) the party required to serve any notice, document or paper upon another person proves to the satisfaction of the Board that service cannot be effected or it is not expedient to effect service under subregulation 1,

the Board may direct that service upon the persons or person, as the case may be, be made by the publication of the notice, document or paper in a newspaper set out in the direction of the Board, and the service shall be deemed to be good and sufficient service and to have been made on the date of publication.

## AMENDMENTS

41.(1) An application, answer or reply may be amended at the hearing by leave of the Board, upon such terms and conditions as the Board may deem advisable.

(2) No proceeding under this Part shall be deemed invalid by reason of any defect in form or any other technical irregularity.

## SUMMONING WITNESSES

42. A summons under subsection 1 of section 21 of the Act shall be in Form 17.

## ENLARGING OR ABRIDGING TIME

43.(1) The Board may, if it deems it advisable, adjourn any hearing before it under the Act or any other Act for such time and to such place and upon such terms as it may think fit.

(2) The Board may, upon such terms as it thinks fit, enlarge the time prescribed by this Part for doing any act, serving, or filing any notice, document or paper or taking any proceeding and may exercise the power although application therefor is not made until after the expiration of the time prescribed.

(3) Where it is satisfied that it is necessary or convenient in the public interest, the Board may, upon such terms and conditions as it thinks fit, abridge the time prescribed by this Part for doing any act, serving, or filing any notice, document or paper, or taking any proceeding.

## FORM OF ORDER

44. An order of the Board shall be in Form 18.

## FEES

45.(1) The fees payable on filing an application on a proceeding before the Board under the Act or any other Act is \$25.

(2) The fees payable for certified copies or documents are

- (a) for each certificate, 50 cents, and
- (b) for each 100 words of the document, 15 cents with a minimum fee of 50 cents.

## PART 7

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing.

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissions of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, Q.C.,  
Clerk of the Legislative Assembly  
of Ontario.

THE MILK INDUSTRY ACT, 1954

O. Reg. 205/54.  
Marketing of Milk.  
New and Revoking O. Reg. 42/54.  
Filed—6th December, 1954.

REGULATIONS MADE BY THE BOARD  
UNDER THE MILK INDUSTRY ACT, 1954

MARKETING OF MILK

1. In these regulations

- (a) "case goods" means condensed milk and evaporated milk which a processor packs in cases;
- (b) "concentrated milk products" means milk products manufactured at a processing plant;
- (c) "local board" means The Ontario Concentrated Milk Producers' Marketing Board; and
- (d) "processor" means a processor who operates a processing plant.

PRICE NEGOTIATING AGENCIES

2.(1) There shall be a price negotiating agency to be known as "The Negotiating Committee for Case Goods" of 10 persons, 5 of whom shall be appointed annually but not later than the 1st of April, by the local board and 5 of whom shall be appointed annually but not later than the 1st of April by the processors, upon the request in writing from the Board.

(2) There shall be a price negotiating agency to be known as "The Negotiating Committee for Concentrated Milk Products other than Case Goods" of 16 persons, 8 of whom shall be appointed annually but not later than the 1st of April, by the local board and 8 of whom shall be appointed annually but not later than the 1st of April by the processors, upon the request in writing from the Board.

(3) There shall be a price negotiating agency to be known as "The Negotiating Committee for Transportation of Milk for Processing" of 6 persons, 3 of whom shall be appointed by the local board, and 3 of whom shall be appointed by the transporters, upon the request in writing from the Board.

(4) Where the producers who supply milk to a processing plant are organized under an association, there shall be a price negotiating agency to be known as a "Local Negotiating Committee for Transportation of Milk for Processing" of 6 persons, 3 of whom shall be appointed by the local board, and 3 of whom shall be appointed by the transporters, upon the request in writing from the Board.

3. Where the local board, or the processors, or the transporters, as the case may be, fail to appoint the persons in accordance with regulation 2 within 7 days, the Board may appoint such representatives as are necessary to complete each price negotiating agency.

4.(1) The Negotiating Committee for Case Goods may adopt or determine by agreement

- (a) minimum prices for milk for manufacture into case goods or any class, variety or grade of case goods,
- (b) terms of purchase and sale of milk for manufacture into case goods,
- (c) charges, other than for transportation, for marketing any milk for manufacture into case goods, and
- (d) forms of contracts and conditions therein for the purchase and sale of milk for manufacture into case goods.

(2) The Negotiating Committee for Concentrated Milk Products other than Case Goods may adopt or determine by agreement

- (a) minimum prices for milk for manufacture into concentrated milk products other than case goods or any class, variety or grade of concentrated milk products other than case goods,
- (b) terms of purchase and sale of milk for manufacture into concentrated milk products other than case goods,
- (c) charges, other than for transportation, for marketing any milk for manufacture into concentrated milk products other than case goods, and
- (d) forms of contracts and conditions therein for the purchase and sale of milk for manufacture into concentrated milk products other than case goods.

(3) The Negotiating Committee for Transportation of Milk for Processing may adopt or determine by agreement charges for transportation for marketing any milk for manufacture into concentrated milk products.

(4) A Local Negotiating Committee for Transportation of Milk for Processing may, subject to any agreement made by The Negotiating Committee for Transportation of Milk for Processing, adopt or determine by agreement charges for transportation for marketing any milk for manufacture into concentrated milk products at the processing plant.

5.(1) Where a price negotiating agency appointed in accordance with regulation 2 fails to arrive at an agreement, the matters in dispute shall be referred to a price negotiating agency to be known as a "negotiating board".

(2) The negotiating board shall consist of 3 members.

(3) One member may be appointed by the members of the price negotiating agency appointed by the local board, and another member may be appointed by the members of the price negotiating agency appointed by the processors, or the transporters, as the case may be.

(4) Where 2 members are appointed to the negotiating board in accordance with subregulation 3, the 2 members so appointed may appoint a third member to the negotiating board but where the 2 members fail to agree on the third member within 7 days the Board may appoint the third member.

(5) Where the members of the price negotiating agency appointed by the local board, or the members of the price negotiating agency appointed by the processors, or the transporters, as the case may be, fail to appoint a member to the negotiating board in accordance with subregulation 3 within 7 days, the Board may appoint such members as are necessary to complete a negotiating board.

(6) The negotiating board shall meet within 7 days of the appointment of the third member thereof.

(7) The negotiating board may adopt or determine by award any matters referred to it.

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing.

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, Q.C.,  
Clerk of the Legislative Assembly  
of Ontario.

#### PAYMENTS TO MUNICIPALITIES

16. (1) Payments to a municipality under section 21 or subsection 2 of section 24 of the Act shall be made only on an application therefor in form 20.

- (2) The application shall be verified

- (a) by the auditor of the municipality by his certificate in form 21 appended to form 20,
- (b) by the auditors of the societies named in the application by a certificate in form 22, and
- (c) by the local director by his affidavit in form 23.

17. Special grants under section 22 of the Act shall be made only on an application therefor in form 24 when authorized by a resolution of the municipality.

#### THE RATE

18. (1) In this regulation "A" means the cost to a children's aid society for the last preceding year, ending with the 31st of December, of providing for the welfare of all children or wards while living in an institution or home other than the home of a parent.

- (2) For the purpose of subregulation 1, "cost" means the cost of

- (a) maintenance, care, and supervision, including expenditures not exceeding \$4 a month for each child or ward derived from family-allowance funds,
- (b) maintenance and operation of a receiving-home,
- (c) retaining fees for boarding homes,
- (d) clothing,
- (e) medical, surgical, dental, optical and other health services,
- (f) drugs and drug supplies,
- (g) hospitalization and hospital services when paid for by a society, and
- (h) any special needs of children or wards.

(3) In this regulation "B" means that part of the overhead cost to a children's aid society for the last preceding year, ending with the 31st of December, of providing for the welfare of all children or wards while living in an institution or home other than the home of a parent.

(4) For the purpose of subregulation 3, "overhead cost" means cost of

- (a) personal services of administrative, supervisory, field, clerical and maintenance staffs and other persons directly employed by the society,
- (b) transportation and travelling,
- (c) telephone and telegraph services,
- (d) postage, stationery and office supplies,
- (e) maintenance, repairs and depreciation of buildings,
- (f) power, light, heat and water,
- (g) rent, taxes and insurance,
- (h) maintenance and depreciation of equipment and motor vehicles,
- (i) pensions and insurance,
- (j) professional and expert services,
- (k) bank services, and
- (l) minor miscellaneous services and supplies

(5) For the purpose of subregulation 4, the overhead cost shall be that amount which bears the same relation to the total cost as the units of time of 15 minutes each of field workers spent in providing for the welfare of children or wards while living in an institution or home other than the home of a parent, bears to the total units of time of field workers spent in providing all services performed by a society.

(6) In computing the units of time of a field worker for the purpose of subregulation 5, the average units of time for the months of January, June and October of the last preceding year shall be deemed to be the units of time for each month of that year; but for the year 1955 the average units of time for any 2 named months 4 months apart shall be deemed to be the units of time for each month in the year 1954.

(7) In this regulation "C" means an amount not exceeding \$4 a month for each child or ward received from family-allowance funds.

(8) In these regulations "D" means

- (a) the excess of the cumulative actual costs per capita in the year 1954 and all subsequent years, computed on the basis of subregulations 1, 3 and 7, over the cumulative costs per capita as adopted for those years and computed on the basis of those subregulations, or
- (b) the excess of the cumulative cost per capita adopted for the year 1954 and all subsequent years, computed on the basis of subregulations 1, 3 and 7, over the cumulative actual costs per capita for those years and computed on the basis of those subregulations,

multiplied by the number of days computed in accordance with subregulation 9 for the year ending with the immediately preceding 31st day of December, but for the year 1955 the number of days shall be computed by the same methods as adopted in determining the per capita cost adopted for 1954.

(9) In this regulation "E" means the number of days provided by a children's aid society for any year ending with the 31st of December for the welfare of children or wards who are living in an institution or home other than the home of a parent but excluding from the number

- (a) days of termination of care or wardship,
- (b) days during which wards may live in the home of a parent,
- (c) days during which wards live in an institution and are maintained there at no expense to a children's aid society,
- (d) days during which wards are in hospital for treatment and maintained there at no expense to a children's aid society, and
- (e) days during which children who are not wards are on adoption-probation.

(10) In this regulation "R" means the rate.

(11) The formula to be used in establishing the rate shall be

(a) under clause a of subregulation 8,

$$\frac{A+B-C+D}{E} = R$$

or (b) under clause b of subregulation 8,

$$\frac{A+B-C-D}{E} = R$$

ESTABLISHMENT OF RATE

19. (1) An application under section 25 of the Act for an order establishing the rate shall be in form 25.

(2) An order establishing the rate shall be in form 26.
